Our Roaring 20s: 'The Defining Decade' : NPR

The Defining Decade (2012) Our "thirty-is-the-new-twenty" culture tells us that the twentysomething years don't matter. Some say they are an extended adolescence. Others call them an emerging adulthood. But what if thirty is not the new twenty? Meg Jay argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most transformative period of our adult lives.

The Defining Decade (2012) - Dr. Meg Jay

Having goals can make us happier and more confident. Goal setting in your twenties can lead to more mastery, agency, and purpose in your thirties. Jay's advice : Set some goals that matter to you and work towards them. Whether their professional, personal, or social. Do the Math. We all tend to discount the future in favor of the present.
