Eco-Business: A Big-Brand Takeover of Sustainability (The MIT Press) Eco-business is not turning big brands into sustainable companies. Nor will it solve the world's environmental problems. As corporate executives readily admit, they are in the business of selling more products and are a long way from meeting their "aspirational" goals for sustainability.

Eco-Business: A Big-Brand Takeover of Sustainability on JSTOR Today, big-brand companies seem to be making commitments that go beyond the usual "greenwashing" efforts undertaken largely for public relations purposes. In Eco-Business, Peter Dauvergne and Jane Lister examine this new corporate embrace of sustainability, its actual accomplishments, and the consequences for the environment.
