and heavy-duty trucks that were built by International Harvester from 1962 to 1978. Early models were recognizable by their grey grill and "butterfly" hood, but a one-piece tilting hood was used from model year 1972 onwards.

International Loadstar - Wikipedia

Although the Loadstar was made from 62-69, the Binder is the only model that has a descriptive sentence on Wikipedia. "The Binder was made from 1976 to 1978. It was made to use up parts so International Harvester could start the S-Series in 1979." With such a long history, I feel lucky to have found an example from the most interesting and exciting period. One of my favorite points of contrast ...

Harvester Co. has told the public that they have sold trucks under the "International" name since 1914 in 1947 (p.

Talk:International Loadstar/Archive 1 - Wikipedia

The International S series is a range of trucks that was manufactured by International Harvester (later Navistar International) from 1977 to 2001. Introduced to consolidate the medium-duty IHC Loadstar and heavy-duty IHC Fleetstar into a single product range, the S series was slotted below the Transtar and Paystar Class 8 conventionals.
