Iron Age Religion In Britain

the Iron Age religion in Britain can be confirmed by archaeological findings. This is done by examining scientific texts about the archaeological material and comparing that information with the classical texts. The main questions of the thesis are:

Iron Age religion in Britain - DiVA portal

We are all familiar with the Classical gods who were imported to these shores with the arrival of the Roman army, but the beliefs and religious practices of Britain's Iron Age inhabitants are far more shadowy. Miranda Aldhouse-Green explores how far archaeology can help to illuminate this enigmatic picture. Sometime during the early 2nd century AD, the body of a young woman named Bodicacia was buried in a cemetery just outside the walls of Corinium (Roman Cirencester), the capital of the ...

Rites before romanitas: Reconstructing Britain's Iron Age ...

The British Iron Age is a conventional name used in the archaeology of Great Britain, referring to the prehistoric and protohistoric phases of the Iron Age culture of the main island and the smaller islands, typically excluding prehistoric Ireland, which had an independent Iron Age culture of its own. The parallel phase of Irish archaeology is termed the Irish Iron Age. The Iron Age is not an archaeological horizon of common artefacts, but is rather a locally diverse cultural phase. The British

British Iron Age - Wikipedia

According to the Roman writers who provide the earliest written accounts of prehistoric religion, late Iron Age worship focused not on built temples but on "sacred groves", the haunts of Druids, whose name means "oak-knowers".

Prehistory: Religion | English Heritage

People in Iron Age Britain believed in powerful spirits. They met to worship the spirits in sacred places, like the shores of a lake or a clearing in a wood. Priests known as druids led religious...

The main Iron Age tribes in Southern Britain. The names of the Celtic Iron Age tribes in Britain were recorded by Roman and Greek historians and geographers, especially Ptolemy. Information from the distribution of Celtic coins has also shed light on the extents of the territories of the various groups that occupied the island.

Iron Age tribes in Britain - Wikipedia

Some Iron Age religions took it a step further. These religions, termed animist religions, believed that gods not only played an active role in ancient life, but actually inhabited it. For example,...

Iron Age: Religion & Beliefs | Study.com

Both the Romans and most people in pre-Roman Iron Age Britain believed that as well as supreme or general gods, there were also local gods or spirits (genii) in every person and place. It made sense to honour and placate them. This meant that when the Romans came to Britain, there was no clash of belief systems.

Romans: Religion | English Heritage

It was a kind of bloody religious observance. The Iron Age is when we first find cemeteries of ordinary people's burials (in hole-in-the-ground graves) as opposed to the elaborate barrows of the elite few that provide our main records of burials in earlier periods. The Celts at War The Celts loved war.
